Passenger Planes

For hundreds of years, people wanted to fly (0) birds.

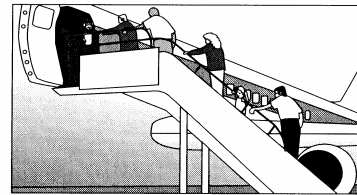

But it was not (21) 1903 that two American brothers,

Orville and Wilbur Wright, made the first flight in an

aeroplane. In 1927, Charles Lindbergh became the

first person to fly from America to England (22) the Atlantic. Like all pilots at

(23) time, he had to (24) a leather coat and other warm clothes.

Today, passenger planes are bigger, faster and safer. Flying is much cheaper and millions of

people use the world's airports (25) year. Chicago O'Hare Airport in America probably

takes the (26) passengers, with about 110 planes arriving or leaving every hour. When

a plane is (27) an airport, engineers check that everything works and it (28)

also filled up with petrol before passengers get on it.

CHAMPION SWIMMER

Marc Pelic is 25 years old and has won a lot of swimming competitions. Last year he won the 50 metre butterfly race with the fastest time in his country.

To be the best, Marc has to work hard at his swimming six days a week. In the mornings, he swims for an hour and a half. He goes back to the swimming pool for two hours in the evenings. He also runs for an hour at lunchtimes, so he is always very tired at night. Sunday is his only free day! At the moment he can only swim for half an hour a day because he has hurt his leg. Usually, swimmers hurt their arms but that hasn't happened to Marc.

Marc is very careful with his meals. He eats a lot of pasta, rice and potatoes, but very little meat. He loves cakes and chocolates, but doesn't eat them very often.

Marc believes he can win a gold medal at the next Olympic Games. He will have to swim against very strong swimmers, for example, the Russian Ivan Petrov. But Marc is sure he will be the fastest.

Example:

0 Marc started swimming when he was 25.

- A** Right **B** Wrong **C** Doesn't say

Answer:

0	A	B	C
	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
