To make the course accessible to all, the fee structure is fairly reasonable and affordable. Fees for levels A1, A2 level is kept at Rs. 1550/-, for B1 and B2 courses it is Rs. 2040/- while for C1 and C2 it is Rs. 2400/- (taxes extra). A premium level has recently been introduced for corporate sector and fee for this training is Rs. 3440/- (taxes extra). Even at these levels, it has been ensured that it is profitable for the training centres as well as the Zonal Partners. This includes training, course materials, exam coordination, assessment and certification.

For the college students who just want to assess their current level of English proficiency or who want to have a credible certification in their resume, SCOPE has devised a very innovative arrangement. Under OAS, fee for college students is only Rs. 350/- for A level course and Rs. 840/- for B level course. Out of it, SCOPE charges only Rs. 275/- for A level and Rs. 765/- per candidate for B level course. Rest of the amount is refunded to the college for every Present candidate as administration and incidental expenses. Under fat assessment scheme where training is provided to the students, fee is Rs. 750/- for A level and Rs. 1440/- for B level course. It gives them a chance to benchmark themselves at the international standards in English language at a very nominal price.
